## EXPLANATORY NOTE

These Post-Effective Amendments No. 1 to Form S-1 Registration Statement (collectively, the “Post-Effective Amendments”) relate to the following Registration Statements on Form S-1 (collectively, the “Registration Statements”) filed by InMed Pharmaceuticals Inc. (the “Company”) with the Securities and Exchange Commission (the “SEC”):

- (1) Registration Statement No. 333-253925, registering an aggregate of 1,743,000 common shares, no par value, of the Company (“Common Shares”), filed on March 5, 2021.
- (2) Registration Statement No. 333-257858, registering an aggregate of 8,072,654 Common Shares, filed on July 12, 2021.
- (3) Registration Statement No. 333-265731, registering an aggregate of 7,575,756 Common Shares, filed on June 21, 2022, as amended by Amendment No. 1 to Form S-1, filed on June 24, 2022.

The Company conducted a 1-for-25 reverse stock split of the Company’s issued and outstanding common shares effective on September 7, 2022 (the “Consolidation”). No fractional Common Shares were issued as a result of the Consolidation. Any fractional share remaining after the completion of the Consolidation that was less than half of a share was cancelled and each fractional share that was at least half of a share was rounded up to one whole share. These Post-Effective Amendments are being filed to reflect that, pursuant to Rule 416(b) promulgated under the Securities Act of 1933, as amended (the “Securities Act”), the number of Common Shares covered by the Registration Statements was decreased respectively from 1,743,000 to 69,720 shares, 8,072,654 to 322,907 shares and from 7,575,756 to 303,031 shares as a result of the Consolidation. As no additional securities are being registered, and the registration fee was paid upon filing the original registration statements, no further registration fee is required. In accordance with Rule 416 of the Securities Act, these Post-Effective Amendments also register an undetermined number of common shares that may be issued upon any future stock splits, reverse stock splits, stock dividends or other anti-dilution provisions or similar transactions.

The contents of the Registration Statements are incorporated by reference into these Post-Effective Amendments, except to the extent supplemented, amended and superseded by the information set forth herein.

#### Item 14. Indemnification of directors and officers

We are subject to the provisions of Part 5, Division 5 of the Business Corporations Act (British Columbia), or “BCBCA”. Under Section 160 of the BCBCA, we may, subject to Section 163 of the BCBCA:

1. indemnify an individual who:

- is or was a director or officer of our company;
- is or was a director or officer of another corporation (i) at a time when such corporation is or was an affiliate of our company; or (ii) at our request, or
- at our request, is or was, or holds or held a position equivalent to that of, a director or officer of a partnership, trust, joint venture or other unincorporated entity, and including, subject to certain limited exceptions, the heirs and personal or other legal representatives of that individual (collectively, an “eligible party”), against all eligible penalties to which the eligible party is or may be liable; and

2. after final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by an eligible party in respect of that proceeding, where:

- “eligible penalty” means a judgment, penalty or fine awarded or imposed in, or an amount paid in settlement of, and eligible proceeding.
- “eligible proceeding” means a proceeding in which an eligible party or any of the heirs and personal or other legal representatives of the eligible party, by reason of the eligible party being or having been a director or officer of, or holding or having held a position equivalent to that of a director or officer of, our company or an associated corporation (a) is or may be joined as a party, or (b) is or may be liable for or in respect of a judgment, penalty or fine in, or expenses related to, the proceeding.
- “proceeding” includes any legal proceeding or investigative action, whether current, threatened, pending or completed.

Under Section 161 of the BCBCA, and subject to Section 163 of the BCBCA, we must, after the final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by an eligible party in respect of that proceeding if the eligible party (a) has not been reimbursed for those expenses, and (b) is wholly successful, on the merits or otherwise, in the outcome of the proceeding or is substantially successful on the merits in the outcome of the proceeding.

Under Section 162 of the BCBCA, and subject to Section 163 of the BCBCA, we may pay, as they are incurred in advance of the final disposition of an eligible proceeding, the expenses actually and reasonably incurred by an eligible party in respect of the proceeding, provided that we must not make such payments unless we first receive from the eligible party a written undertaking that, if it is ultimately determined that the payment of expenses is prohibited under Section 163 of the BCBCA, the eligible party will repay the amounts advanced.

Under Section 163 of the BCBCA, we must not indemnify an eligible party against eligible penalties to which the eligible party is or may be liable or pay the expenses of an eligible party in respect of that proceeding under Sections 160, 161 or 162 of the BCBCA, as the case may be, if any of the following circumstances apply:

- if the indemnity or payment is made under an earlier agreement to indemnify or pay expenses and, at the time that the agreement to indemnify or pay expenses was made, we were prohibited from giving the indemnity or paying the expenses by our memorandum or articles;
- if the indemnity or payment is made otherwise than under an earlier agreement to indemnify or pay expenses and, at the time that the indemnity or payment is made, we are prohibited from giving the indemnity or paying the expenses by our memorandum or articles;
- if, in relation to the subject matter of the eligible proceeding, the eligible party did not act honestly and in good faith with a view to the best interests of our company or the associated corporation, as the case may be; or
- in the case of an eligible proceeding other than a civil proceeding, if the eligible party did not have reasonable grounds for believing that the eligible party’s conduct in respect of which the proceeding was brought was lawful.

If an eligible proceeding is brought against an eligible party by or on behalf of our company or by or on behalf of an associated corporation, we must not either indemnify the eligible party against eligible penalties to which the eligible party is or may be liable, or pay the expenses of the eligible party under Sections 160, 161 or 162 of the BCBCA, as the case may be, in respect of the proceeding.

Under Section 164 of the BCBCA, and despite any other provision of Part 5, Division 5 of the BCBCA and whether or not payment of expenses or indemnification has been sought, authorized or declined under Part 5, Division 5 of the BCBCA, on application of our company or an eligible party, the Supreme Court of British Columbia may do one or more of the following:

- order us to indemnify an eligible party against any liability incurred by the eligible party in respect of an eligible proceeding;
- order us to pay some or all of the expenses incurred by an eligible party in respect of an eligible proceeding;
- order the enforcement of, or payment under, an agreement of indemnification entered into by us;
- order us to pay some or all of the expenses actually and reasonably incurred by any person in obtaining an order under Section 164 of the BCBCA; or
- make any other order the court considers appropriate.

Section 165 of the BCBCA provides that we may purchase and maintain insurance for the benefit of an eligible party or the heirs and personal or other legal representatives of the eligible party against any liability that may be incurred by reason of the eligible party being or having been a director or officer of, or holding or having held a position equivalent to that of a director or officer of, our company or an associated corporation.

Under our articles, and subject to the BCBCA, we must indemnify our directors, former directors or alternate directors and his or her heirs and legal personal representatives against all eligible penalties to which such person is or may be liable, and we must, after the final disposition of an eligible proceeding, pay the expenses actually and reasonably incurred by such person in respect of that proceeding. Each director and alternate director is deemed to have contracted with our company on the terms of the indemnity contained in our articles.

Under our articles, and subject to the BCBCA, we may agree to indemnify and may indemnify any person (including an eligible party) against eligible penalties and pay expenses incurred in connection with the performance of services by that person for us. We have entered into indemnity agreements with our directors and certain of our officers.

Pursuant to our articles, the failure of an eligible party to comply with the BCBCA or our articles does not, of itself, invalidate any indemnity to which he or she is entitled under our articles.

Under our articles, we may purchase and maintain insurance for the benefit of any person (or his or her heirs or legal personal representatives) who:

- is or was our director, alternate director, officer, employee or agent;
- is or was a director, alternate director, officer, employee or agent of a corporation at a time when the corporation is or was our affiliate;
- at our request, is or was a director, alternate director, officer, employee or agent of a corporation or of a partnership, trust, joint venture or other unincorporated entity; or
- at our request, holds or held a position equivalent to that of a director, alternate director or officer of a partnership, trust, joint venture or other unincorporated entity;
- against any liability incurred by him or her as such director, alternate director, officer, employee or agent or person who holds or held such equivalent position.

In addition, we have entered into an indemnification agreement with each of our directors and our Chief Financial Officer, which requires us to indemnify them.

## Item 15. Recent sales of unregistered securities

In the three years preceding the filing of this registration statement, without giving effect to the June 30, 2020 Share Consolidation, we have issued the following securities that were not registered under the Securities Act of 1933:

- During the year ending June 30, 2019, we issued an aggregate 7,564 common shares pursuant to the exercise of 35,000 share purchase warrants. The 35,000 share purchase warrants that were exercised had an exercise price of C\$0.65 each and, pursuant to the terms of a May 31, 2017 financing, were exercised on a net cashless basis, based on the five-day volume-weighted average trading price of our common shares on the TSX ending on the date immediately preceding the date of exercise. The exercise of these 35,000 share purchase warrants resulted in the issuance of 7,564 common shares but, as they were exercised on a net cashless basis, no cash was received. The issuance of the securities was exempt from registration under the Securities Act as they were issued outside the U.S. pursuant to Regulation S under the Securities Act.

The issuance of the securities was exempt from registration under the Securities Act as they were issued outside the U.S. pursuant to Regulation S under the Securities Act.

We issued 1,050,000 common shares and warrants exercisable for 690,000 common shares. The issuance was made in reliance upon an exemption from registration under Section 4(a)(2) of the Securities Act in that such sales did not involve a public offering.
- On July 2, 2021, we closed the Private Placement with an accredited institutional investors for approximately \$12 million of common shares and warrants. We issued 890,000 common shares and warrants exercisable for 7,182,654 common shares. - On June 6, 2022, we closed a registered direct issuance and sale of 4,079,256 of its common shares (or pre-funded warrants in lieu thereto), as well as a concurrent private placement to issue and sell 1,748,250 common shares (or pre-funded warrants in lieu thereto), for a gross aggregate amount of US\$5 million. In addition, we issued to the investor in the offerings unregistered preferred investment options to purchase up to an aggregate of 5,827,506 common shares. ## Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by section 10(a)(3) of the Securities Act;
  - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
  - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i), (ii), and (iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (4) That, for the purpose of determining liability under the Securities Act to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

- (5) That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
  - (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
  - (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
  - (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of their counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
